ESL Standard English

Our ESL Standard English language course is designed to help you communicate in spoken and written English.

Classes are held at seven levels from **Beginner** to **Advanced** level. This is a concentrated program of English study, 20 hours per week that allows you time for out-of-class activities. Time to practice the English you learn in class and explore Toronto city and learn about Canadian culture and North American way of life.

The course covers the four main skills:
