

International Hospitality English

International Hospitality English course is designed for personnel working or hoping to work in the hospitality industry and provides English Language skills, vital to your career opportunities. International Hospitality English is an interactive course that aims to provide you with the specific English skills you need to set yourself on the path to success. The course helps the students learn not only new language skills, but most importantly how to practically apply them in everyday work situations.

The International Hospitality English course will improve your ability to interact successfully with clients in English. You will

- study language and behavior related to customer service

- increase your awareness of different expectations about customer service
- improve your spoken communication skills
- increase your ability to interact with clients in writing
- build vocabulary related to tourism and hospitality
- learn about key concepts, trends, and issues in tourism

Skills

- Improve spoken and written interactions with clients in English
- Increase awareness of customer service expectations
- Learn key concepts and issues in tourism and hospitality
- Qualify for the Business English Internship

Course Special

The small number of students per class ensures effective teaching with the flexibility to meet your individual needs, in a comfortable and friendly atmosphere. You have a progress test and a personal tutorial with your principal teacher each week.

Course Dates

The International Hospitality English language course is available at AdonB'rit throughout the year. Students may join a course at the start of any month.
