TOEIC

(Test of English for International Communication)

The TOEIC® test measures proficiency in international business English

- TOEIC® test is the most widely used English language test for professional English.
- The TOEIC® test is used as a certification tool in more than 5000 companies worldwide.
- Use the TOEIC® test to certify your English skills and enhance your employment profile.

The format of the TOEIC® test

Based on real-life work settings, the TOEIC® test consists of 200 multiple-choice questions categorised into listening comprehension and reading sections.

TOEIC® test questions are based on real-life work settings in an international environment (meetings, travel, telephone conversations, etc). The TOEIC® test is a paper and pencil test consisting of 200 multiple-choice questions, divided into 2 separately timed sections. Test takers respond to questions by marking one response from a choice of 4 (A, B, C, D) with a pencil on a machine-scannable answer sheet.

Section 1: Listening Comprehension

- A variety of recorded statements, questions, and short conversations in English.
- You will answer 100 questions based on what you hear.
- You will have 45 minutes to complete this section.

This section comprises 4 parts:

- Part 1: photographs (20 questions)
- Part 2: question-response (30 questions)
- Part 3: Short conversations (30 questions)
- Part 4: Short talks (20 questions)

Section 2: Reading

- A variety of materials to be read.
- You will respond to 100 questions based on what you have read.
- This section will take 75 minutes to complete.

This section comprises 3 parts:

- Part 5: Incomplete sentences (40 questions)
- Part 6: Error recognition (20 questions)
- Part 7: Reading comprehension (40 questions)
